

APPENDIX D. SMD E/PO Partners

The NASA Science Mission Directorate is indebted to the more than 500 institutions and organizations that partnered with NASA in FY 2005 to carry out the Education and Public Outreach (E/PO) program. The partners listed below, grouped by the type of institution or organization, contributed to leading the E/PO efforts for NASA Earth and space science missions or programs and/or by leading or contributing substantially to developing E/PO products or activities in FY 2005. The numbers in brackets refer to the missions or programs in appendix B or the products or activities in appendix A to which the partners contributed.
